

Pittsburgh Business Travel Association's Annual Holiday Gala back for 2021

Pittsburgh, PA – December 1, 2021 – The Pittsburgh Business Travel Association (PBTA) hosted their annual holiday gala on December 1 at the Rivers Casino. This highly-anticipated Annual Holiday Gala brings together the corporate travel community, corporate travel buyers and travel industry suppliers alike for a night of fun and philanthropy.

Giving back to the local Pittsburgh community is very important to the PBTA members. Each year PBTA picks a local organization to support and this year's gala provided attendees with the opportunity to support Global Links. Global Links is a Pittsburgh-based non-profit dedicated to improving health in communities with need. For 30+ years, Global Links has been collaborating with partners to improve health for vulnerable populations by sharing surplus rescued from the US healthcare system to support health programs globally and locally. Over 60 PBTA members were in attendance this year and made donations to Global Links for a chance to win Air Canada, American and Delta tickets as well as local hotel stays, gift baskets and gift certificates. All of these were donated by organizations in support of the Global Links mission.

About PBTA

Pittsburgh Business Travel Association is committed to enhancing the travel profession by sponsoring educational and informational programs for the Pittsburgh community. PBTA is devoted to providing education and professional skill development for our members. Throughout the year, educational programs are held on a wide variety of topics affecting business travel management; from new developments in technology to changes in local and national purchasing trends. For more information please visit the PBTA website at www.pbta.org

About Global Links

Global Links is a Pittsburgh-based non-profit dedicated to improving health in communities with need. Global Links collaborates with U.S. healthcare institutions and the community to rescue hundreds of tons of high-quality surplus medical materials every year that would otherwise be discarded. These materials are shared with public health facilities around the world and with non-profit organizations in Western Pennsylvania that are providing care for their community's most vulnerable people. For more information, visit www.globallinks.org. Global Links. Sharing Surplus. Saving Lives.
