## Custom Corporate Volunteer/Teambuilding Experience

### Your time is Powerful.

Engaging with Global Links is a wonderful team-building experience and offers your employees an opportunity to connect outside of their regular work environment while also doing good.

We begin with a tour and discussion of our work which adds to the experience, as volunteers learn about and connect to the need/impact of their time. Your team will then assist us by sorting/packing medical supplies to help improve healthcare in communities with need. We also have conference space where your team can bring in food and eat together and/or meet before or after your volunteer shift.

We reserve Fridays for Custom Corporate Group Volunteer/Team Building Experiences. We are also open to other days of the week as available. Groups can choose a shift from either 9:30am-12:00pm or 12:30-3:00pm.

We ask Corporate Groups to make a donation to go along with their volunteer shift. This helps deliver the items you sort and pack to where they are needed.

\$ 300: up to 15 people

\$ 550: 16-30 people

\$1000: 31-50 people

All in-person volunteering takes place at our headquarters in Green Tree, Pittsburgh which is fully accessible and has plentiful free parking.

Each year, the Global Links Volunteer Program engages more than 4,000 individuals in the Greater Pittsburgh community. Groups and individuals of all ages and abilities make up this vibrant corps of volunteers. Together, they process 95% of the medical materials we use in our life-saving public health projects.

Corporate groups are encouraged to get involved by scheduling a Corporate Group Volunteer experience. We can design a shift to help you engage your employees and meet your corporate social responsibility goals.

All shifts include:

- Behind-the-scenes tour of our facility with mission, programs, and impact overview
- 2.5 hour customized volunteer shift
- Dedicated volunteer supervisor
- Access to meeting/lunch space before/after shift
- Photo op for social media/communications purposes
- Free parking
