

Diaper Distribution Sponsorship

Improve Health for All

You can help keep babies healthy, dry, and safe.

For parents with young children diapers are a necessity, while at the same time, they are not covered by SNAP or EBT benefits. Families struggling to make ends meet are forced to make difficult choices with the limited cash they have.

According to a Coalition of Parent and Community Organizations, "The overall cost of diapers has risen an unprecedented 22% since 2018, while U.S. inflation rates peaked at 9.1% in June 2022. That means prices are rising at more than double the rate of inflation."

Global Links, in partnership with the Western PA Diaper Bank and your company can help by hosting a public drive-up diaper distribution in which families are given a month's supply of diapers and wipes.

IMPACT:

Up to 1,000 families receive 1 month supply of diapers and wipes

WHEN:

March-October 2023

VOLUNTEER OPPORTUNITY:

A large scale public event will raise your Company profile. This is a great way to give back to your community, while providing a meaningful opportunity for your employees to engage in a safe, outdoor, volunteer event. Build team collaboration while serving our local neighbors in need.

Additionally, you may schedule a Custom Corporate Friday tour/volunteer shift in our headquarters for up to 15 employees.
