Surplus Medical Collection Makes a Difference

Eleanor is a clinical pharmacist working with the nonprofit Centre Volunteers in Medicine in State College, PA. The nonprofit's goal is to care for the uninsured in Centre County, PA. Global Links' mission to improve health locally and globally resonated with her on many levels. She has traveled as a medical volunteer to Nicaragua many times and has also adopted sons from there!

Eleanor organized a collection of medical surplus for Global Links at her clinic and from pharmacies around her area and was able to bring two pallets of medical supplies to our warehouse for donation! To find out how you can collect medical surplus for Global Links, visit our website at: globallinks.org/our-programs/medical-surplus-recovery/
